EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kenneth F. Smolik on 7/21/05.

In page, 4, lines 20-21, of the amendment, change "A computer-readable medium having computer-executable instructions for performing the method of claim 1." to

-- A computer-readable medium having computer-executable instructions for performing steps comprising:

(A) loading a set of simulated actions grouped into action types and associated with a remote session;

(B) measuring and logging response times for the set of simulated actions;

(C) repeating (A) and (B) to obtain a plurality of response times;

(D) aggregating the plurality of response times to obtain aggregated results;

(E) splitting the aggregated results according to each action type; and

(F) determining an associated break point for each said action type, wherein the associated break point corresponds to a minimally acceptable degree of performance for each said action type. –

In page 5, lines 1-2, of the amendment, change "A computer-readable medium having computer-executable instructions for performing the method of claim 2." to

-- The computer-readable medium of claim 16, further comprising:

(G) determining a number of users that the multi-user system can support from a plurality of associated break points.--

2. Applicant cancelled claims 19-31.

Allowable Subject Matter

3. **Claims 1-18 and 32** are allowed.

4. **Claims 1-18 and 32** are renumbered.

5. The following is an examiner's statement of reasons for allowance: none of the prior art of record teaches or suggests (A) loading a set of simulated actions grouped into action types and associated with a remote session; (B) measuring and logging response times for the set of simulated actions; repeating (A) and (B) to obtain a plurality of response times; aggregating the plurality of response times to obtain aggregated results; splitting the aggregated results according to each action type, in combination with the rest of the claim limitations.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
